

1 Print this sheet at 100%. Do not scale this PDF, verify printout size with a ruler.

2 Find your thread pitch. Hold your thru-axle near the three pitches and choose the closest match

T-2100 - Traxle Fine M12 x 1.00
T-2120 - Traxle Fine XL M12 x 1.00

T-2102 - Traxle Medium M12 x 1.50

T-2101 - Traxle Coarse M12 x 1.75

3 Measure your thru-axle to verify its approximate length to know which washers you may need for installation

4 Your axle length: _____ Thread pitch: _____ Select part below. Verify bike brand and traxle model on page 4.
